école De Paris (c. 1950) - Girl With Poppies

400 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting on wood

Description

Oil on panel. Original canvas. Signed by hand. Interesting impasto technique, with great textural richness.Here she is, standing in the harsh, dusty light filtering through the window, a creature of flesh and blood seeming to emerge from the depths and splendor of the cosmos. Naked, with an absolute nudity that is not a pose, but the very expression of her existence, she clutches a bouquet of poppies against her knees, stains of a violent red evoking open wounds or the last cry of a setting sun.Dimensions of the unframed work: 37 x 45 cm / 57 x 65 cm with a custom-made frame.
