Description

If you are looking for an authentic piece that combines Italian craftsmanship with the timeless charm of antiques, this is an unmissable opportunity. We present an extraordinary set consisting of a teapot and a kettle with lid, crafted in fine copper with elegant bronze details, dating back to the late 19th century. **A Journey Through Time and Style**

Each element of this pair tells a story of refinement. The teapot, featuring a slender spout and an ergonomic handle (height 29 cm, diameter 12 cm), is perfect for serving coffee or infusions with vintage class. The generous matching kettle (height 30 cm, diameter 26 cm) boasts finely crafted bronze handles that enhance both its durability and aesthetic appeal. The true added value? Its excellent condition and the splendid
