Description

China, First half of the 20th century, superb and unusual work in ink and ink wash depicting two junks on a river in a mountain landscape. Two seals and inscriptions at the top and another at the bottom right.The text visible at the top is translated from Chinese as "Clear dawn on the river of Shu". The painter's seal is also affixed.A painting of very fine quality worthy of this Chinese tradition of depicting landscapes in ink on paper in cameos of very restricted polychromy.Another work in the same spirit was offered for sale more recently on our gallery. Both come from the same private collection in the Loire Valley.The work is in good condition, apart from unaffected paper creasing and some wetness in the lower left-hand corner.Dimensions when viewed: Height 49 x width 49 (cm) - 63 x 63 (cm)
