Depth : 120

### Description

A table with a chromed metal base and glass top, the Nomos table designed by Norman Foster, winner of the prestigious "Compasso d'Oro" award in 1987, is striking for its unique structure and zoomorphic aesthetic. The solid frame has a slanted profile and suction cups that support the clear glass top. A high-end design piece from one of the greatest architects of our time. The item is in good condition, with minor signs of wear. We try to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will apply.
