Description

Saint-Louis crystal toiletry set consisting of four perfume bottles with their original stoppers, a baguier and a matching brush holder. Beautiful cut crystal set with vertical fluting decoration, highlighted by a red and gold enameled frieze forming an elegant repeating garland on each piece. The grips of the stoppers are also finely cut. This type of decoration is characteristic of the refined productions of the Saint-Louis crystal works. The set is homogeneous and presents a fine quality of execution. The stoppers are well-fitted and original. Very good overall condition, slight wear from use to be noted on the gilding in places and a few chips on stoppers. Dimensions: Vial height: 12, 14, 16 and 17 cm Brush-holder length: 24 cm Ring diameter: 10 cm
