

Chinese Tripod Perfume Burner In Famille Rose Porcelain

200 EUR

Period : 20th century

Condition : Très bon état

Material : Porcelain

Height : 15 cm

Description

I offer you this superb small Chinese perfume burner most certainly from the early republican period (1912-1949). The perfume burner is set on three pink feet showing faces and topped by three small blue monsters on the lid and on each side. Two scenes of a young woman in a garden on the body of the perfume burner. This porcelain is rather rare and of very good quality. No cracks, chips or restoration.
