

Pair Of Canton Porcelain Vases (china, Late 19th Century)

620 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Diameter : 12

Height : 26

Description

A lovely pair of late 19th century Canton porcelain vases. Abundantly flowered, they are also decorated with scenes depicting characters in reserves faithful to Cantonese production. The handles feature lions' heads holding a ring in their mouths. Good overall condition, despite two tiny chips on the neck of one of them. Diameter at neck 8.5 cm, 12 cm at body and 26 cm high.
