Description

Atelier Cerenne Vallauris, Paire d'Appliques au Coq en Laiton Martelé Vers 1950Ravissante Paire d'Appliques au Coq en Laiton et Fer Forgé, Atelier Cerenne Vallauris.This Pair of Wall Sconces with Two Light Arms, in Upper Part, a Rooster in Hammered Brass and Set. On the lower part, Wrought Iron Light Arms, Embellished with Coupelles. They are Electrified. Very nice patina Very beautiful decorative object with sober, elegant lines. This Pair of Wall Lights combines Practicality with Ambient Lighting, but also makes a very pretty visual statement with their Traditional Pattern and Authenticity. They will easily adapt to Your Decoration. These original, patinated pieces bear witness to the refinement of decorating in the 1950s, and will add charm and sublimity to your home.
