Description

Louis XV style chest of drawers from the 1920s in marquetry, with marble top and bronze ornamentation. Elegant French Louis XV-style chest of drawers from the 1920s, crafted in rosewood marquetry, with two large drawers and rich, finely chased bronze ornamentation. Its superb white marble top lends refinement and balance to its curved silhouette. A true piece of character, designed with precision and elegance, this commode embodies all the timeless charm of early 20th-century French craftsmanship. It will find its perfect place in a refined interior, hallway or bedroom. Epoque: circa 1920 Style: Louis XV Materials: rosewood marquetry, bronze ornaments, white marble top Structure: two drawers Origine : France Condition: excellent vintage condition, with slight traces of time
