Description

Dutch-style chandelier with twelve light arms on two levels. This chandelier was designed for candlelight, so there are no pierced cups or bells. Our fixture is made of bronze and brass and has a beautiful antique patina. Note, a few traces of oxidation without any influence on the aesthetics of this beautiful fixture. Beautifully crafted at the end of the 19th century. We would point out that it is of course possible to have this chandelier adapted to electricity. Dimensions: height: 63 cm diameter: 68 cm diameter of each cup 10 cm Shipping costs by carrier please consult us.
