

## Antique Plaster

3 400 EUR

Period : 19th century

Condition : Etat d'usage

Material : Plaster

Width : 70

Height : 160

Depth : 30

### Description

Large plaster antique early nineteenth century, very nice patina and pedestal on a wrought iron base. One arm needs to be glued back but as often I present the objects in the state in which I find them then I restore on request.
