1 850 EUR

Period : 19th century

Condition : Très bon état

Material : Oil painting on wood

Description

Original and elegant Italian wood painting from the 19th century. This polylobed painting with cabaret border features a romantic scene in the center. The surround is decorated with gold interlacing on a black background. The central scene depicts 2 nude people in conversation with a figure in a tunic, against a backdrop of greenery and mountains. The portourts are curved and molded. Work from an old tray that has lost its base, presented as a painting, this large, high-quality painting is highly decorative and in perfect condition.
