### Description

A Neo-Renaissance style bed from the early decades of the 20th century. This queen-size bed is crafted from carved poplar; the entire frame features high paneling supported by splayed legs, while the headboard has pilasters with carved candelabra and a cornice adorned with leaf scrolls. Restored and refinished with reversible materials in our workshops, using white lacquer and gold highlights. Product condition: Furniture restored by the experts in our restoration workshop. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description shall prevail.
