

Our Lady Of Lourdes In Her Portable Ovoid Chapel, Opening As It Unfolds

450 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Diameter : socle 6 cm

Height : 15.5 cm

Description

In silver-plated metal with filigree decoration in the shape of an egg on a pedestal, here's a representation of Nôtre Dame de Lourdes in silver for personal devotion that can accompany you anywhere. This little "chapel" is embellished with applied foliage and green glass "stones", and topped by a cross. To be dated towards the end of the 19th century, some wear on the silver plating. Shipping in France and internationally, contact me for the .
