Description

Small French sideboard dating from the late 19th century (circa 1890), crafted in the elegant Boulle style, characterized by itsrefined decorations. The piece features a wooden frame embellished withgilded metal ornamental elements, featuring decorative motifs typical of the style. Thetop surface is embellished with a slab of light-colored marble.The front door, decorated with a central oval and ornamental details,opens to reveal a wooden interior featuring two shelves, whichdivide the space into three compartments. The dimensions of the cabinet are 88 x 38 x 104 cm. The condition isfair, with signs consistent with its age and use. Some metal elementsare missing or detached, as visible in the photographs. The marble top is intact.
