Antique Frieze From A Tabernacle, 17th Century, Italy- H.29,5 Cm

225 EUR

Period : 17th century

Condition : Bon état

Material : Wood marquetry

Description

The item is an antique tabernacle door, a piece of sacred art typically crafted from carved and gilded wood. Main Features Iconography: The central panel depicts the Sacred Heart of Jesus surrounded by a golden halo. This motif is a classic Eucharistic symbol and one of devotion commonly found in sacred furnishings. Materials and Technique: It is made of carved wood, with a gilded finish, and a dark background on a patinated green surface to highlight the relief. Structural Elements: On the right side, the remains of the original metal hinges that allowed the door to open are visible, while on the left is the hole for the lock. Historical Period: 17TH CENTURY. The craftsmanship and style of the sunburst suggest Baroque-era production. These doors closed the small niche (tabernacle) usually
