Painted metal, original mechanical components  
Length: 31 cm  
Super Tigre 20V gas engine, Champion spark plug  
Extraordinary racing model produced by Movo of Milan, inspired by the legendary Ferrari single-seaters, in particular the iconic Ferrari 500 F2, star of the winning seasons of the early 1950s. This rare Movosprint 52 model, distinguished by the number 2 and the unmistakable prancing horse, represents one of the most fascinating fusions of model-making and recreational engineering of the era. Made of painted metal with a racing red finish, the model is equipped with a sophisticated 20-volt gas-powered Super Tigre engine, complete with a Champion spark plug, a testament to the high
