Description

Beautiful antique Chinese silk skirt, dating from the early the first half of the 19th century, consisting of two identical panels identical panels forming a pull-up skirt, with blue silk inner lining. The fabric features a richly hand-embroidered decoration, depicting a world of plants and animals: delicate flowers, birds and butterflies, in an elegant palette of reds, blues, greens and purples, greens and purples. The side and bottom borders are adorned with decorative braids decorative braids that harmoniously frame the composition. A fine quality piece, a testament to traditional Chinese and is ideal for collectors, antique textile enthusiasts or decorative or for decorative purposes (framing, hangings, costumes). Please note: the skirt shows stains and marks of time (visible on photos), consistent with
