Description

19th-century Swiss school, entourage of Ferdinand HODLERStudy of a male face in profileOil and black pencil on yellow prepared board29 x 23.2 cm - 35 x 30 cm Framed in a 19th-century baguette Profile of a man, presented with great nobility, worked in oil on yellow prepared board. A highly pictorial image in excellent condition. Close to some of the work of the Swiss painters who spearheaded artistic modernity in the late 19th century. Concerning the color of the yellow background, it varies a lot according to the photos and the light exposure, the first photo is representative of the power during a good light exposure. Delivery free and insured in mainland France. Visible and collectable from my stand at the Saint-Ouen flea market.Don't hesitate to contact me if you have
