Description

A remarkable antique leather armchair by Robson & Son, a famous 19th/early 20th century furniture manufacturer based in Newcastle-upon-Tyne.

This finely crafted armchair features richly carved wood detailing and is upholstered in high-quality distressed leather with a beautiful patina. The front legs are fitted with original castors for ease of movement, while the rear leg is stamped "Robson & Son Newcastle", attesting to its authenticity. A rare example of English craftsmanship, combining comfort, style and history. Dimensions: Height: 70 cm x Width: 70 cm x Depth: 70 cm Seat: Width: 60 cm x Depth: 54 cm x Height: 40 cm In very good condition, with some signs of wear related to its age.
