Description

Map of the environs of Limbourg, Rolduc, Schleyden,... Jean-Baptiste de Bouge & Jeanne Maillart, 18th century Beautiful antique (colored) map depicting the environs of Limbourg, Rolduc, Schleyden,... executed in the 18th century by Jean-Baptiste de Bouge (1757-1833), renowned Brussels printer-librarian, in collaboration with engraver Jeanne Maillart. Original cartographic work, not a reproduction. The map features a detailed hydrographic and road network, administrative divisions and major cities, testifying to the political geography of Northern Europe. Ideal for deco or history buffs. Jean-Baptiste de Bouge was a major figure in cartographic publishing in Brussels under the Ancien Régime. His productions, often produced in partnership with specialized engravers, feature
