Description

Landscape with Architectural Ruins Leonardo Coccorante (Naples, 1680-1750) Oil on canvas
Mid-18th century Carved and gilded frame
Canvas: 48 x 38 cm Frame: 60 x 50 cm Excellent condition The canvas depicts a beautiful composition of architectural ruins executed in the typical pictorial style of the Neapolitan landscape painter Leonardo Coccorante, who specialized in creating large-scale works on this subject. In this case, the modest dimensions suggest it was a preparatory study for a larger work, executed with great finesse, meticulous attention to detail, and excellent rendering of both perspective and volume. A splendid 18th-century frame, finely carved and gilded, perfectly highlights the painting. Price negotiable - Customized payment terms We issue a stamped and signed certificate of
