Description

Charming Daum vase with reverse lacustrine decoration by Daum. Beautiful colors for this entirely acid-etched vase. Fine engraved decoration in dark purple, playing with contrasts with this intense blue background and slightly green-yellow at the base. Note the reflections in the water of the vegetation and this elegant form on a pedestal. Perfect condition, well referenced model, 19 cm high, signed on the escutcheon on the side, circa 1910. Beautiful art-nouveau vase, very fine colors.
