

Pair Of Charles X Chevets

1 200 EUR

Period : 19th century

Condition : Bon état

Description

Elegant and sober pair of Charles X bedside tables. Made of ash burr veneer, these two bedside tables are actually a false pair, except that they are almost identical, one being slightly taller and thinner than the other. In the front, a top drawer embellished with a gilded brass knob. A door with a gilded bronze entrance, opening onto a shelf. Each has a functional key and lock. The top is black marble.
