### Description

Decorative Aubusson-style tapestry Aubusson, created in the 20th century, depicting classical floral refinement in the spirit of Louis XV. The composition features a sumptuous bouquet of tulips and stylized flowers, set in an ornate vase with richly worked handles, resting on an entablature. A dragonfly delicately enlivens the scene, bringing lightness and poetry to the whole. The warm hues - beige, ochre, red and a deep blue background - offer an elegant contrast, ideal for sublimating both classic and contemporary interiors. Features: Era: 20th century Style : Aubusson / classic floral decor Pattern : flowering vase, tulips Beautiful original framing border Quality decorative textile work Condition: Good overall condition Dimensions: Height: 127.5 cm Width:
