Description

Large Venetian mirror decorated with canes and flowers, made by master glassmakers in Murano in the second half of the 19th century. This splendid composition is one of a kind for its size and the quality of the elements used. Gold leaf frame covered with colored glass canes. In the corners are polychrome glass paste flowers resting on a bed of clear glass leaves. The elements are attached to the frame with metal nails, wire, or hot glue. Small repairs made with silicone and a few missing parts, overall not noteworthy. **BUY NOW**
