2 750 EUR

Period : 19th century

Condition : Bon état

Material : Leather

Width : 73

Height : 115

Depth : 70

Description

Magnificent and rare 19th-century adjustable library armchair by Horrix, upholstered in black leather and adorned with decorative brass studs. This armchair offers different seating positions and bears the "Horrix" mark under the seat. The elegant corrugated wood structure bears witness to the craftsmanship and quality characteristic of the famous Horrix workshop in The Hague. Dimensions: approx. 115 cm high × 73 cm wide × 70 cm deep. Materials: solid wood, black leather, brass nails. Condition: very good condition for its age, with only slight traces of use. Era: circa 1870, Dutch royal furniture makers. A remarkable, authentic piece that exemplifies the refinement of 19th-century Dutch cabinetmaking.
