1 175 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Length : 172

Width : 68

Height : 70

Description

An elegant English chaise longue from the late 19th century, featuring a solid wood frame with harmonious lines and finely carved details. Resting on turned legs adorned with decorative corner blocks, it features a seat and back upholstered in a light-colored fabric with a discreet woven pattern, enhanced by decorative brass studs. Its single spindle armrest gives it a refined, timeless presence. Condition : Good overall condition, in keeping with its age. The upholstery shows signs of use and light stains (see photos). The wooden structure is sturdy and displays a rich patina. Dimensions: Length: 172 cm Width: 68 cm Height: 70 cm Seat height: 40 cm A piece of character from the late 19th century, ideal as a chaise longue, meridian or decorative element of choice in a classic or
