Description

An elegant early 20th-century recliner by Drevette L.M., featuring an integrated extendable footrest and original mechanical adjustment system. The armchair rests on finely carved wooden legs fitted with small castors for easy maneuverability, while the adjustable mechanism under the seat allows a comfortable reclining position.The structure has remained sturdy and solid, and the armchair has retained its original floral pattern upholstery, giving it warmth and character. The manufacturer's hallmark "Drevette L.M." is clearly visible on the frame, confirming its authenticity and early 20th-century manufacture. Both functional and decorative, this armchair bears witness to the craftsmanship and ingenuity characteristic of turn-of-the-century European furniture.Dimensions:Width: 67
