Description

Entrance doors to a beautiful Gujarati home. Made of heavy, sound wood, it dates from the 19th century. It opens with two leaves inspired by our colonial Louis XV style and has a beautiful frame with the blessing of Ganesh at the top, accompanied by the sacred sign Om: the essence of the Universe and the sound of creation... Note that it has a good passage height (188X100 cm), which is not always the case. More photos on request
