### Description

A remarkable 1920s French Art Deco occasional or coffee table in solid wood, recently restored to reveal its elegant geometry and rich grain. This piece illustrates the refinement of craftsmanship and sculptural sense that characterized early French Art Deco, where bold architectural forms met warm, natural materials. The octagonal top highlights the beauty of the wood patterns, while the curved vertical uprights create a dynamic interplay between straight lines and gentle curves. A lower octagonal shelf echoes the shape of the top, providing both visual balance and functional storage space. The restored surface emphasizes the table's sleek silhouette, reinforcing its warm, elegant appearance without altering its historic character. With its versatile dimensions, this table can be used as a side table, coffee table or
