### Description

Refined, sculptural French Art Deco table from the 1920s, crafted in solid wood and recently restored to highlight its elegant geometry and warm wood grain. This side table or round coffee table embodies the architectural clarity and decorative sobriety that characterized early French Art Deco, where craftsmanship and form took precedence over ornamentation. The circular top reveals a beautifully patterned wood, its polished surface accentuating depth and tonal variations. The geometric base, composed of intersecting curved supports and a circular brace, creates a dynamic interplay of lines and shapes. The result is a piece that is both grounded and airy, functional and resolutely artistic. The restoration brings out the richness of the wood while preserving the table's original character,
