Description

Saint Geminiano - antique oil painting on canvas, 19th century. This beautiful painting follows the traditional iconography of SaintGeminiano, inspired by the famous model by Bartolomeo Schedoni housed in theModena Cathedral. The painting depicts the holy bishop in a half-length portrait wearinga beautiful red damask cope with yellow trim and a stole embroidered with figures of saints.In his hands, he holds a model of the city of Modena. Two cherubs holdthe miter and the crosier, respectively. Period frame in gilded woodThe canvas is set in a splendid antique frame, made ofcarved wood gilded with gold leaf, featuring elegant scrollwork andfloral motifs.H 60x50 cm W. withoutframeH 88x71 cm W. with frame
