Description

An elegant Italian floor lamp from the 1960s, characterized by a refined palm-shaped design with a striking visual impact.Crafted from painted iron with brass accents, it features a slender, sinuous structure that rises to a height of approximately 170 cm, culminating in finely crafted leaves reminiscent of a stylized palm tree. The contrast between the white iron and the golden details lends brightness and great elegance to the piece.A quintessential example of the Italian decorative style of the period, it combines light lines with a commanding presence, making it ideal both as a central piece of furniture and as a distinctive accent in sophisticated settings.A lamp of great charm, perfect for those seeking an original piece capable of enhancing any space.
