Description

Beautiful suite of two burnt orange / brick colored silk velvet cushions. They've been made from an old crumpled velvet fabric, giving them a wonderful color with changing reflections, making them perfect for installation in a contemporary or classic setting. A real beauty! The velvet is old but never worked before. They can be removed from their covers thanks to a discreet zipper. Very luminous material! Their ++++: They are covered on both sides with the same velvet allowing them to be used in all directions. Dimensions: 40 cm x 40 cm x 13 cm thick approx. Very good condition. Never used.
