Guillaume Delisle Numbered Edition Illuminated Floor Globe

400 EUR

Period : 20th century

Condition : Parfait état

Material : Solid wood

Height : 130

Description

An elegant, illuminated floor globe (globe lamp) with striking visual impact, crafted on a refined wooden base with a brass meridian line.The globe is a numbered edition, based on the famous maps of Guillaume Delisle, one of the most important cartographers of the 17th and 18th centuries. The surface features an antique-style print, rich in geographical and decorative details, with a pleasant patina that enhances its historical charm.The internal light transforms the globe into a true mood lamp, diffusing a warm glow that highlights the cartography and makes the object particularly evocative even in evening settings.The structure is made of wood with an elegant, contoured tripod base, while the brass meridian ring lends solidity and refinement to the whole.Standing approximately 130 cm tall and 70
