Description

Antique ornamental frieze in gilded wood Venice, 18th century
Dimensions: 210 × 35 cm
Period: 18th century
A rare and elegant ornamental frieze in carved and gilded wood from Venice. The piece features rich decoration with scrolls, foliage, and intertwined plant motifs, finely carved and enhanced by a luminous gilding typical of the Venetian decorative tradition. The quality of the carving reveals an expert hand and a prestigious original purpose: elements of this type were used as architectural friezes or overdoors to enrich noble halls, salons, or sacred spaces. An object of great charm, ideal for collectors of Venetian decorative art but also capable of enhancing a contemporary setting.
Cod: 370
Additional info: The piece is available at our showroom in Badia Polesine
