Description

Superb modern hand-knotted Afghan rug, featuring a strong, expressive abstract composition organized around broad flat tints of contrasting colors. Made from fine quality wool, this rug combines graphic shapes in deep black, cobalt blue, golden ochre, brick red, terracotta and warm beige. Its pictorial aesthetic evokes modern art movements, with a visual composition akin to a contemporary abstract work. The color transitions, rich velvet texture and balance of form give this piece a remarkable decorative presence. This rug is a true centerpiece for a contemporary interior, gallery ambience, loft or architectural space. Ideal for a modern living room, a designer office or an interior looking for a strong piece, it brings warmth, character and modernity all at once. Details: Origin:
