Description

Elegant vintage sculpture of a hunting dog, crafted in solid bronze and mounted on a genuine marble base. This finely crafted piece realistically captures the strength, care and loyalty of the hunting dog, paying tribute to the timeless bond between man, animal and nature. The sculpture is cast in solid bronze and rests on a polished marble base, creating a fine balance between animal realism and decorative elegance. The bronze surface features a rich antique patina, highlighting the details of the dog's body, posture and expression. Ideal for the home. Ideal for collectors of animal art, hunting enthusiasts or dog lovers, this sculpture will find a perfect place in a classic, rustic or contemporary interior, on a desk, mantelpiece, bookcase or console. Details: Subject: hunting dog /
