Description

An elegant wall lamp designed by Sergio Mazza for Artemide, made in Italy in the 1960s. The lamp features a circular diffuser made of pressed glass with a refined radial pattern, which creates soft, even lighting--ideal for enhancing the space with warm, diffused light. The metal structure retains its original finish with a light patina of age, a sign of its authenticity and era. The design, minimalist and balanced, fully reflects the style of 1960s Italian modernism, offering a perfect blend of functionality and formal elegance. Perfect as a wall sconce or decorative light fixture, it easily adapts to both modern and more classic settings. A signature design piece, ideal for enthusiasts and collectors.
