Description

Hand-knotted wool Art Deco Afghan rug, wavy pattern, 230 x 68 cm. Elegant hand-knotted Art Deco Afghan rug featuring a rhythmic undulating pattern formed by overlapping horizontal stripes. Made from wool, this rug combines gentle geometric movement with a refined palette of natural tones, discreet pastels and deeper accents. Shades of ochre, sand, camel, anthracite, muted blue, powder pink and soft brown create a balanced, warm composition. It's an elongated rug with a soft, warm texture. Its elongated format and textured surface make it ideal for a hallway, entryway, corridor or narrow space seeking a subtle, contemporary decorative touch. The wavy stripe pattern, enriched with linear and punctuated details, provides a beautiful visual dynamic while retaining the understated elegance characteristic
