Pair Of Louis XV Cabriolet Armchairs In Carved Wood And Leather

600 EUR

Period : 20th century

Condition : Bon état

Description

Pair of Louis XV-style cabriolet armchairs in carved wood and leather. Elegant pair of Louis XV-style cabriolet armchairs, exemplifying all the timeless refinement of classic French furniture. Each armchair features a beautifully hand-carved wooden frame, adorned with floral and shell motifs characteristic of the Louis Quinze aesthetic. The curved lines, arched legs and flowing silhouette lend the ensemble great decorative elegance. The seats and backrests are upholstered in fine brown leather, enhanced by a traditional brass tapestry nail finish. The upholstered back adds comfort, relief and sophistication, while reinforcing the classic character of these armchairs. This pair will find a perfect place in a living room, office, reading nook, elegant entryway or characterful interior. A
