### Description

Mid-century Italian glazed ceramic table lamp with beige raffia shade, dating from the 1960s. The ceramic base is adorned all around with elongated abstract leaves and closed buds. This decoration stands out in relief and is raised approximately 4-5 mm; the motif is modern, naturalistic and timelessly elegant. The off-white base measures 11 cm in diameter and 32.5 cm in height, and is complemented by a 2.3 cm ceramic collar. The rough, natural raffia shade complements the natural look very well and completes the piece to make a magnificent table lamp. (Shade dimensions: diameter 35 cm top, 34 cm bottom x height 27 cm)
