Description

Beautiful medium-sized chest of drawers, made of lacquered and hand-painted wood. The cream-colored lacquer is adorned with painted diamond-shaped and floral scrollwork decorations, lending the piece a refined touch. The chest of drawers features truncated pyramid legs and three ergonomic, spacious drawers for storage, which open with bronze knobs. This unique and elegant piece of furniture will add class and taste to any space. Italian craftsmanship, late 19th-early 20th century. Dimensions: H x W x D 94 x 117 x 54cm
