Description

Spectacular contemporary mirror in blue-tinted concave glass - Italy, 21st century A resolutely designer piece, this sculptural mirror seduces with its concave shape and futuristic aesthetic. Its glass surface with silver and bluish reflections on a frameless brass base reflects light and the environment, creating a fascinating play of deformations and colors that evolve according to the point of view. A true sculptural work, it adds a strong artistic dimension and instantly becomes the focal point of an interior, ideal on a large wall. Unique mirror combining art and design, in perfect condition, ready to install with its three solid metal fixings on the back. Careful, secure delivery.
