

Louis XVI Suite With Aubusson Tapestry

2 600 EUR

Signature : Aubusson

Period : 19th century

Condition : Etat d'usage

Material : Gilded wood

Description

Beautiful Louis XVI style salon in gilded wood with an Aubusson tapestry comprising 3 pieces: a pair of armchairs and its sofa. Napoleon III period ; a French work circa 1860 - 1870. The tapestry is partially (very little) worn , it's really very little but I prefer to point it out. The whole set is very pretty and really an eye catcher.
