Description

Magnificent roulette table by Mason & Co (Denver, Colorado), featuring a superb wooden base carved in the shape of a lion's paw. Originally designed for casinos, this imposing piece will add a remarkable decorative touch to any interior, bar or gaming room. The game board shows traces of sun oxidation and marks of use, normal for its age (see photos). The base, meanwhile, retains all its charm with its beautiful patina. Dimensions: Length: 250 cm Width: 119 cm Height: 84 cm Rare and full of character, this early 20th-century casino roulette table combines gaming history with exceptional craftsmanship.
