### Description

This large ruby red Murano vase, dating back to 1960, is an authentic expression of Venetian artisanal excellence. Made according to the ancestral techniques of the Murano tradition, it is distinguished by the extraordinary quality of the glass and the intensity of its deep and luminous red color, capable of capturing and reflecting the light with great elegance. The vase has a sinuous and harmonious shape, with double and balanced lines, here in fact a remarkable object, also perfect as a decorative element as a piece of collection. Ideal for sublimating classic or modern spaces, it adds a touch of refinement and prestige. Excellent overall condition, with light traces of wear consistent with its age.

Dimensions: Hauteur 40 cm Diamètre 36 cm
