### Description

solid silverA lovely pair of sterling silver presentation dishes, finely worked in a stylized shell design, of naturalistic inspiration.Each piece adopts an elegant ribbed shape evoking the scallop shell, enhanced by rich relief decoration with plant and rocaille motifs. The finely chased, openwork grip lends lightness and sophistication to the ensemble.The rim is delicately outlined with a regular frieze, while the interior, subtly hammered, catches the light and highlights the quality of the goldsmith's work.These bowls can be used as table centerpieces, storage trays or decorative elements, adding a refined, timeless touch.Very good condition, with an even natural patina.Diameter: 16 cmHeight : 8 cmTotal weight: 400 grams (200 grams per dish)Punch
