Description

An antique church bell is a historic piece, often made of bronze and of various sizes. These bells, whose history dates back several centuries, usually feature unique inscriptions, often in Latin, reflecting religious sentiments, the names of benefactors or dedications to saints. Cast by skilled craftsmen, their age, workmanship and inscriptions make them precious objects that offer a glimpse into the religious and cultural history of the period. Traces of wear can be seen in the photos. Beautiful decorative object.Inscription and translation possible.Made in the 17th century, dated 1679. Provenance : Italy. Bronze.344 years oldDimensions:Height: 47 cmWidth: 36 cmDepth: 36 cm
